Just a few things to mention.

1) The following are the due dates for the deliverables that are under review:

Remedial Design: April 18.

Proposal for Gamma Cap: April 25.

Response to comments on Data Gaps: April 25.

2) Just to let everyone know, I am going to be out of the office the week of April 14. It is Spring Break for Seattle.

Talk to everyone on Thursday.

Kevin
